

Lake Sawyer Hawks Meeting Minutes
November 2, 2024
Fairwood Library, 17009 140th Ave SE, Renton, Washington

General Information

Pilots are reminded to please sign in on the time sheets when arriving and leaving the field. Time sheets are turned into King County each month for tracking field usage. Please note that there is no club garbage pick-up at the field. When driving at the field pilots are reminded that cars are to always remain on gravel roadways and parking areas.

Marlow Anderson R/C Airfield is now a FRIA site.

To operate aircraft at a FRIA site pilots must carry a copy of their FAA registration and comply with all AMA safety rules.

11:05 am- Randy Ling President called the meeting to order.

General Discussion

Randy reported the club membership is currently at 59, with 52 open members, 6 youth, and one non-flying member.

Club expenses reported at this meeting were \$57.28 for a replacement fence lock.

Future expenses anticipated, field and mower supplies, and the November Museum of Flight.

New Business

Randy noted that because of scheduling the October meeting was rolled into the November 2, 2024, meeting and that the November meeting will be the last for 2024. Randy reminded everyone of the Museum of flight display event to be held on November 16, 2024. The display event starts at 9:30am. Additional information can be found on the club web site.

A motion was made to accept and elect the nominated club officers for 2025. For 2025 club officers are President-Randy Ling, Vice President-Jon Zimmerman, Treasure-Jarad Berkman, Secretary-Peter McCowin. Appointed officers, Safety-Steve Ashmore, Membership-Tom Sadler, Communication and Webmaster- Steve Black.

Randy asked if there was any interest in a club sticker, but there was none.

Randy also discussed a preliminary proposal to level the runway surface smoothing out the high and low areas in specific areas of the field. Further study and investigation of options is under review.

Additional News

Randy reported that the existing agreement with King County continues to remain in effect. Randy reviewed the OpenTx university web site. Review the club web site for additional info.

Safety Minute

Randy briefly reviewed that personal conduct while at the field is covered under the King County parks personal conduct ordinance 7.12.325 Title 7 Parks and Recreation.

Tech Talk

Randy discussed additional firmware upgrading of Spektrum software to AS3X+ in E-flight Bind and Fly aircraft receivers 636T and 636A.

Show and Tell

The Goosky S1 Main and S2 Tail helicopter motors were discussed.

The meeting was Adjourned at 11:45 am
