

Lake Sawyer Hawks Meeting Minutes  
May 3, 2025  
Marlow Anderson Airfield, 24041 276<sup>th</sup> Ave SE, Maple Valley, Washington

General Information

Pilots are reminded to please sign in on the time sheets located in the club house when arriving and leaving the field. Time sheets are turned into King County at the end of each month for tracking field usage. Please note that there is no club garbage pick-up at the field. When driving to the field pilots are reminded that cars must remain on the gravel roadways and parking areas at all times.

Members are reminded that the main gate chain lock combination has changed. All members should have received an email with the new combination. If you haven't received the email contact Steve Black at [Lakesawyerhawks@gmail.com](mailto:Lakesawyerhawks@gmail.com).

Marlow Anderson Field is now a FRIA site.

To operate aircraft in a FRIA site pilots must carry a copy of their FAA registration and comply with all AMA related safety rules.

New Business

Randy reported that all of the pre-purchased Bloody Baron and Bloody Wonder flight test

aircraft have been sold. To reduce individual shipping cost the club had purchased a few kits from Flight Test models. After polling the members attending the meeting it was decided to purchase a few additional kits for sale to club members.

Bloody Wonder aircraft kits will be available for purchase for \$34 dollars. If you're interested contact Randy Ling. Additional information on the event is available on the club web site.

Randy reminded the club members that have finished their Bloody Wonder kits that there will be an all-Bloody Wonder fun fly event at the June 14 meeting.

Club members attending additionally discussed the possibility of having a once-a-month barbeque Randy noted that this function would take a few volunteers.

Randy briefly discussed the August 16<sup>th</sup> Fun fly event.

#### Show and tell

A door prize ticket was handed out to each member attending the meeting with one addition given to all members flying at the meeting. A T-28 ready to fly micro-R/C plane was won by Rick Ward. Chuck Herrman won a micro ready to fly Cub R/C plane.

#### Safety Moment

Testing of small fire extinguisher formulated to extinguish Lipo battery fires is still under investigation testing the effectiveness of the extinguisher will be reported when complete.

Randy Adjourned the club meeting at 12:00 pm.
