

Lake Sawyer Hawks Meeting Minutes
September 13, 2025
Marlow Anderson Airfield, 24041 276th Ave SE, Maple Valley, Washington

General Information

Pilots are reminded to please sign in on the time sheets located in the club house when arriving and leaving the field. Time sheets are turned into King County at the end of each month for tracking field usage. Please note that there is no club garbage pick-up at the field. When driving to the field pilots are reminded that cars must remain on the gravel roadways and parking areas at all times.

Marlow Anderson Field is now a FRIA site.

To operate model aircraft in a FRIA site pilots must carry a copy of their FAA registration. Model aircraft require FAA registration and must display the provided unique identifier on an external surface, visible upon close inspection. Pilots must comply with all AMA related safety rules. For additional information refer to the club's web site.

11:10 am- Randy Ling President called the meeting to order.

General Discussion

Randy reported the club membership is currently at 79 members, comprising 72 open members, 4 youth, and 3 non-flying members. Randy reported that 30 new members have joined the club since the start of 2025.

Randy noted that 2 new members had joined prior to the September 13th meeting starting which now brings the total membership to 81 members.

Club expenses reported

Club expenditures since the August 16, 2025 meeting were \$476.99 which was comprised of expenses for pizza served at the fly-in, fly-in supplies, porta potty service, lawn seed, mower fuel, mower replacement battery, and payment of state taxes.

On going Future Expenses Anticipated

Lawn mower maintenance, Field lawn care supplies, and Porta potty service.

Future meetings

October 4th 2025, meeting nominations of club officers. Meeting will be held at the field.

November 2025 club officer elections.

Please note that the October and November meeting's location may change depending on weather conditions.

Cub Activities

The annual November Museum of flight aircraft display event has been cancelled this year as a result of ongoing renovations to the museum display space used in the past.

New Business

Randy thanked Tom Sadler, Steve Ashmore, and Scott Holtzclaw for cleaning up the field during a recent work party.

Randy noted that renewal of the field use agreement remains in work with the existing agreement still in effect.

Randy noted that the proposed field grass runway improvement options are pending until a meeting with the county engineer can be arranged.

Randy noted that the field will be closed during the day until September 17th to allow King County to complete repairs to the venting system at the site. The field will open at 4:00 Pm each afternoon.

Safety Moment

Randy noted that for the safety of the King County site workers no flying is allow at the field if there are County personnel working on or around the site grounds.

Randy Adjourned the club meeting at 11:45 pm.
